Holistic approach to Empowerment

Dnyandeep Shikshan Prasarak Mandal's

Dnyandeep College of Science and Commerce

Morvande-Boraj, Tal.-Khed, Dist.-Ratnagiri.

Women's empowerment has five components:

- Women's sense of self-worth;
- Their right to have and to determine choices;
- Their right to have access to opportunities and resources;
- Their right to have the power to control their own lives, both within and outside the home;
- And their ability to influence the direction of social change to create a more just social and economic order, nationally and internationally.

GENDER EQUALITY

"There's no limit

Gender Equality

It is time that we all see gender as a spectrum
instead of two sets of opposing ideals.
