Each day one hour is allotted for preparations to these competitive exams. Students make effective use of this time. Experienced teachers inform the students regarding how to prepare and present the answers and how evaluation takes place so that the students can improve their answering skills. Question banks of previous exams are also made available to the students in the college library along with suggestions which help them in understanding the pattern of questions. The progress of students is monitored by the teachers through class tests, oral test and group discussions. Students study in teams and the method of peer tutoring has been effectively used. Teachers conduct test papers to evaluate what they have learned.

Our prime intent in this is to reach out to maximum students in rural areas and to provide a platform to motivate and guide them. Students were requested to join the informative session and participate in large numbers to take benefit of this noble initiative. Every Sunday guidance program is organized to guide interested students as they get motivated and clear their doubts regarding same.
